

A6

The image shows a template for an A6 paper-based project. It features a central rectangular area outlined in magenta, labeled 'A6' in the top-left corner. This central area is surrounded by a larger rectangular frame outlined in blue. The blue frame includes several extensions: a top flap, a bottom flap, and two side flaps. The left and right side flaps each have a semi-circular cutout on their outer edge, positioned in the middle vertically. The entire template is set against a light gray background.
