

A7

This diagram shows a template for an A7 paper fold. It consists of a central rectangle labeled 'A7' with a magenta border. This central rectangle is flanked by two vertical glue tabs on the left and right sides, and two horizontal glue tabs on the top and bottom. The entire assembly is enclosed within a blue border. The glue tabs have semi-circular notches on their outer edges, indicating where they will be folded and glued together to form a three-dimensional structure.
